legacy of
contributing to the
society.**

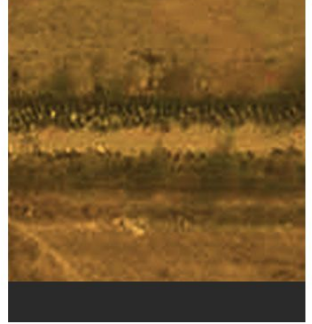

About

Padma Group Holding Corporation

Padma Group Holding Corporation (Padma Group) was established in 2018 as a family institutional office with investments in Education, Healthcare, Agriculture, Manufacturing, Infrastructure, Real Estate, Trading and Renewable Energy.

Our continuous efforts to grow our businesses in order to benefit our entire corporation and people associated with us have allowed to establish a benchmark in an array of business verticals over the years.

Group overview

Proudly catering to numerous emerging and developing sectors.

Vision

To be a globally competitive brand in sectors of real estate, manufacturing, education, healthcare, trading, and energy and establish ourselves as one of the market leaders.

Mission

To achieve growth every year by ensuring maximum value addition to the society and employee welfare also to conserve the environment and uphold the highest standards of integrity, values along with a passion for excellence.

Core Values

To offer sustainable products and satisfy societal needs with compassion and proficiency, nurturing the relationship with the society by showing high moral principles and commitment.

Strong footprints across industries.

Business verticals

Agro-Industries

For manufacturing and processing sugar, jaggery, renewable energy, distillery etc, Padma Group has achieved excellence in the industry by establishing innovative ideas and automated products with advanced technologies. The organisation has made its advancements by having two operational factories and one greenfield project is under commissioning.

Real Estate

Padma Group has made a name for itself by creating enriching lifestyles at some of Mumbai's most lavish addresses and has now expanded its knowledge to include land development in these cities.

Infrastructure

With efficiency and dedication, Padma Group has completed numerous successful projects in the fields of solar power, windmills, roads, motorways, dams, and irrigation. We handle all aspects of infrastructure projects, including engineering, construction, project management, and contracting.

Trading

Padma Group ensures that the product is delivered to all the clients with ease. Our ideology of developing relationships and adaptability has helped us in developing strong bonds with our valued business partners. We also successfully created intercontinental trade after pioneering success in national trade.
